Leave commonplaces behind.
—— Step into history.

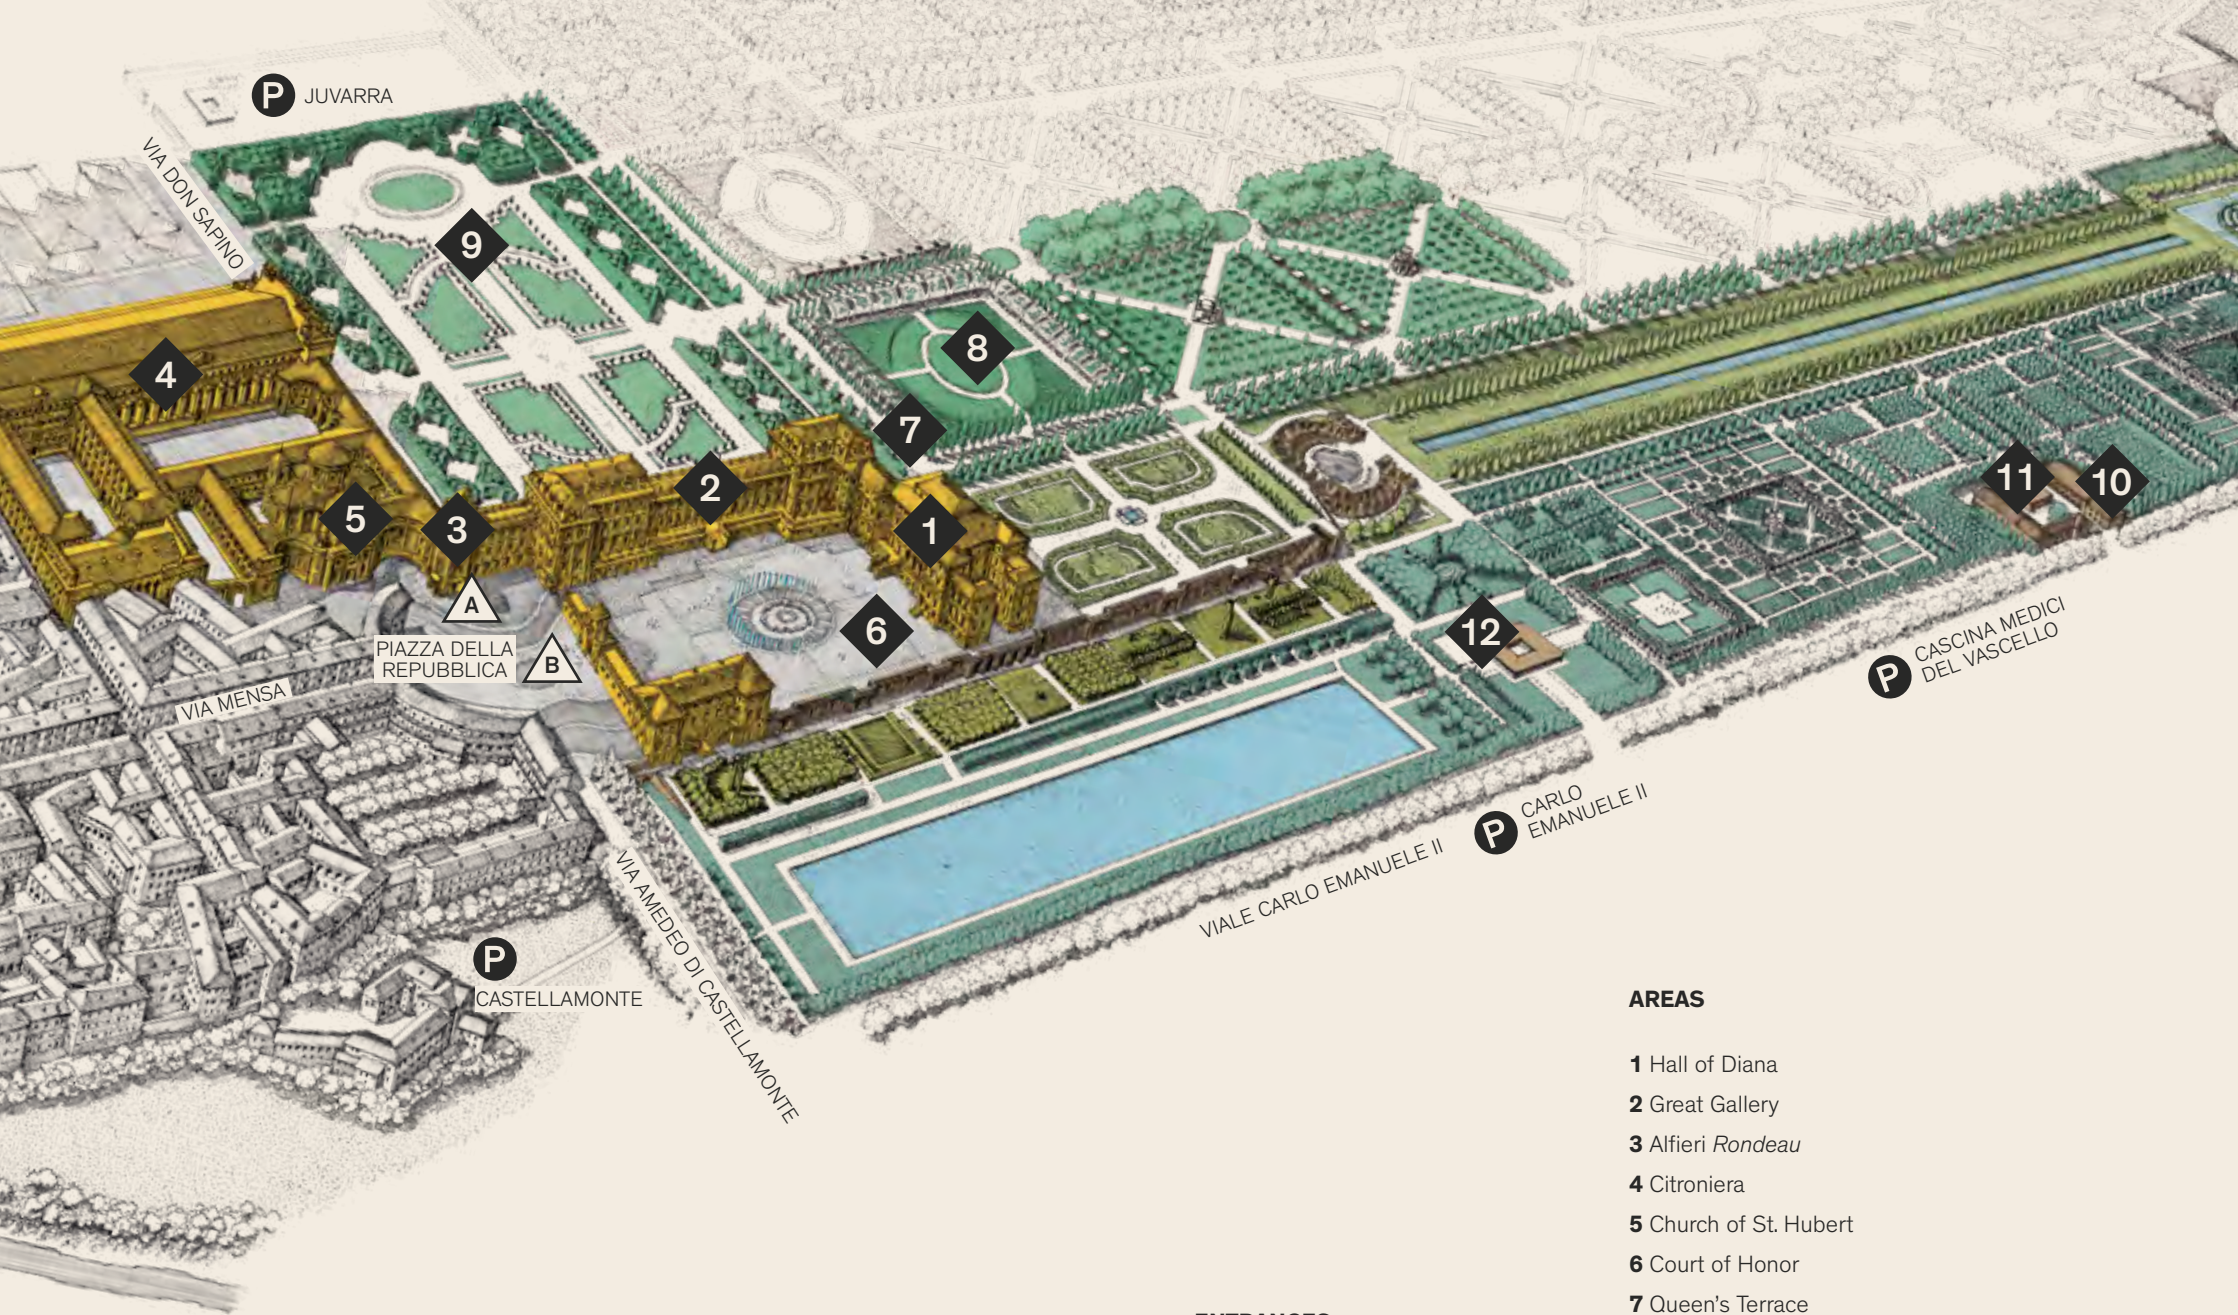

Whether you're holding an important press conference or a gala dinner, scouting for an original location or looking for the perfect site for a film set, a photo shoot or a mission-critical event, you have come to the right place.

Some 10 km from the city of Turin, immersed in an environmental and architectural setting of absolute beauty and magnificence, La Venaria Reale welcomes you and your guests in its grandiose architectural complex listed among the "World Heritage Sites" by UNESCO.

It is hard to believe that just a stone's throw from a big city, you can actually step into a new dimension of life, full of nature, art and history, all contributing to this superb spectacle.

Yes, all of this is real. La Venaria has one more quality – it boasts a huge variety of settings for any type of event. Just choose the one that best suits your purpose and rest assured you will make a great impression.

An unforgettable place cannot but make everything unforgettable.
